Description of Incident

On the above date and approximate time I, Sergeant Lannoye [REDACTED]

[REDACTED] inmate Bong (261362) [REDACTED]

[REDACTED] Inmate Bong responded by yelling at me "You wanna see it" and taking a step towards me closing the distance between us to only a foot and a half to two feet away from me [REDACTED] I raised my voice telling him to "Get back" inmate Bong took another step forward while yelling at me and stepping on my foot and closed the distance between our faces to less than a foot. I immediately raised my voice even louder giving inmate another order to "Get back" to prevent inmate Bong from assaulting me, change his location off my foot and away from me, to control his disruptive behavior, and to enforce my order to get back, I used an open hand to the center of his chest and pushed him back while verbally ordering him to "get back". The push to inmate Bongs chest had the desired effect and inmate Bong fell backwards on the cell front of A-2 and away from me, I then ordered inmate Bong to turn away from me and put his hands behind his back. Officer Wenzlaff who was in the area assisted by securing inmate Bongs left hand while I secured his right and we placed him in mechanical wrist restraints. Inmate Bong became compliant and I utilized my radio to call for a supervisor and escorted inmate Bong out of the cell hall and to the rotunda where Lt. Cole arrived and escorted him to RSH. While being strip searched in the restrictive status housing unit inmate Bong admitted to having a tattoo gun in his cell and fresh tattoos which were photographed and accompany this report. It should be noted the [REDACTED] that inmate Bong [REDACTED]

Security Director/Regional Chief Comments

Minor force was used to enforce orders, change the location (away from staff), and present potential assault.

I find staff actions both reasonable and necessary as described in the report.

Inmate was issued a CR and moved to TLU. On his TLU statement admitted that his actions were taken too far.

Description of Incident

On the above date and time I was writing an incident report when I heard a verbal call for assistance on the 300 wing. I arrived at cell #303 (where other staff were already present) and Sgt. Friedel asked me to call Captain Van Lanen to notified him that Inmate Bong [REDACTED] I went into the Sgt.'s office and called Captain Van Lanen and informed him of inmate Bong's situation. Captain Van Lanen instructed staff to spray him and enter the cell. I then returned to the cell #303 and relayed Captain Van Lanen's instructions to Sgt. Friedel as they were told to me. Sgt. Friedel instructed Inmate Bong to come out of his cell. Inmate Bong did not comply, therefore, Sgt. Friedel delivered a one second burst of OC from a Mark 3 delivery system via the food port on to Inmate Bong's face. Sgt. Friedel then requested staff in Control to open cell #303. When the cell door opened, staff members (including Sgt. Friedel, Officer Fruehbrodt, Officer Yang, Officer Matushak, Officer Kuehlwein and myself), entered the cell. When I got inside the cell, I began applying mechanical wrist and leg restraints while Sgt. Friedel and Officer Fruehbrodt attempted to remove a [REDACTED] Inmate Bong's [REDACTED] After I was done applying the restraints, staff lifted Inmate Bong up and placed him in a restraint chair. Inmate Bong was secured in the chair and [REDACTED]

I received a radio call to respond to cell 303 and that inmate Bong, Joseph #261362 had [REDACTED] I requested for staff to retrieve a set of mechanical restraints and a camera while I went to the control bubble for a MK-9 OC fogger. I arrived at the cell front and observed inmate Bong sitting on the floor next to the sink. Officer Kraemer began operating the video camera. The upper food port was open as staff had been attempting to gain verbal compliance from him. I did not observe any blood or self-inflicted wounds to his arms. As I performed a visual body check of him I saw that he [REDACTED]

[REDACTED] I then deployed a short burst from a MK-3 OC streamer right to the facial area with no visible effect. Officer Kuehlwein was on scene with a rigid plastic shield. Description of Incident

On 04/07/2019 at approximately 1323 I, Captain Cushing, was notified that a supervisor was needed in RSH. I responded immediately. I was told that an emergency cell extraction was taking place due to inmate Bong, Joseph #261362. While I was on the way

I arrived at approximately 1330 and secured Body Worn Camera (RSH Captain).

At 1337, I directed to RSH control to start a timeline of events and I personally secured the door to cell 303. I did not enter the room prior to securing the door and the food port. I then set up a Body Worn Camera (1-Constant Obs) to point down the 300 Wing to monitor the door which is only 2 cells down the odd side.

I then had all staff leave the HSU area and secured the door at 1401 hours after Green Bay Metro Fire had removed all equipment. I had CO Cedeno start a log using a DOC 112 to log any movement in or out of the room. I then notified ADO Cummings, who was in the institution for ADO rounds.

I then had oncoming 2nd shift staff conduct a wellness of the unit. I checked on all staff and had CO Dufek make peer

support contact with all staff involved in the incident. Staff were directed to stay and complete incident reports prior to the leaving the institution. Brown County Sheriff's department was notified and a detective was requested to respond. At 1332 Deputy Jacob Frye arrived and secured the seen for the Brown County Sheriff's office.

Body Worn Camera footage and handled camera footage was preserved. DOC 2606 was initiated by CPS Cummings and Captain Swiekatowski. Notifications were made. Peer Support was offered to all staff involved and a peer supporter made contact with all staff involved. Staff were relieved to complete incident reports. Phone calls were monitored. Outgoing mail was checked. Inmate Bong's property was brought the security office.

Description of Incident

On 4/7/2019 I, Officer Maher, was working as 178 in the RSHU control center. At approximately 130 PM I was informed we had a situation in cell 303 that houses Inmate Bong, Joseph (DOC #261362). I was not informed of what had happened but I handed a mark 9 to SGT. Fridel and all staff went down to the cell and got prepared to enter. The cell door was called open and Officers Potts, Fruehbrodt, Yang, Kuehlwein, and Matushak along with Sgt. Fridel went in the cell, and Officer Kraemer was on camera.

While in the control center I was keeping a paper copy of a time line. Capt. Cushing had closed off cell 303 at 1:37 PM. After everything I was relived from my post and told to write an IR of what I had seen. These are the events I had witnessed from the Control center.
